St. Anton, 22.02.2006

To whom it may concern

Mr. Matthijs van der Kaay, born 28.10.1980, has been employed by Ski School Arlberg as a full time ski instructor for the 2005/2006 winter ski-seasons.

He is an experienced ski instructor with strong skiing skills.

Whilst at the ski-school, Matthijs has taught alpine skiing to all ages, in English, German and Dutch, in group and private lesson situations.

Matthijs presents himself well, is punctual, well prepared and enthusiastic.

In all areas, both professionally and socially, I have found him to be quite outstanding and would have no hesitation in recommending him to any prospective employer.

I wish him every success in the future
